# INTERNATIONAL MARKET OF CONTEMPORARY CIRCUS

## JULY 9 TO 12, 2018

Next July, creators and distributors of circus arts from all around the world will be in the city for MONTRÉAL COMPLÈTEMENT CIRQUE. TOHU, the Festival’s driving force, will then present the 9<sup>th</sup> edition of a not-to-be-missed circus event.

The **INTERNATIONAL MARKET OF CONTEMPORARY CIRCUS (MICC)**, organized by TOHU alongside the Festival, helps Canadian and international companies develop and conclude business relationships through the creation of an international network of professionals.

This year, the 4<sup>th</sup> edition of the MICC will take place **July 9 to 12, 2018**. The four-day gathering of professionals from here and abroad will foster a period of reflection on important issues through various activities: professional and artistic gatherings, lectures, one-on-ones, shows, and much more.
